Location: 1701 North Congress, Rm 1-100, Austin, TX 78701 (Across the street from TNRIS)

#### Welcome Remarks - Richard Wade

## **Project Updates**

Statewide Orthoimagery 2015
Gayla Mullins
South Central Texas Lidar
Joey Thomas

## **Agency Roll Call**

Bring your agency project updates to share

#### **Presentations**

## **♣** GIS Solutions Group Overview

Felicia Retiz - Deputy GIO, TNRIS

The GIS Solutions group formed in early 2014 as a cooperative team to help guide and build GIS technology services through the Data Services Center (DCS). This talk will provide an overview of the group efforts in the first year.

## **♣** Statewide Data Coordination Program – The Data Roadmap for Texas

Ed Kelly – State Data Coordinator, DIR

This session will provide a brief background on the creation and role of the Statewide Data Coordinator position as well as an overview of the core components of the Program and their alignment to the 2016-2020 State Strategic Plan for Information Resources Management.

### **♣** Texas GIO Report 2016

Richard Wade - Director/GIO, TNRIS

A report to the Governor, Lieutenant Governor, and the Speaker of the House is in the works and will be delivered by December 1, 2016. The report will address data needs, recommendations on the use and sharing of geographic information, and current initiatives to bring GIS technology into daily state government operations.
